CalFresh, formerly known as food stamps, is a nutrition assistance program for low-income families and individuals. Benefits are deposited monthly on an EBT card, which works like a debit card. The EBT card can be used to purchase food at grocery stores, small retailers, and even farmers' markets. Receiving CalFresh does not affect recipients' immigration status.

Call the phone number above today to find out if you might qualify for CalFresh! Food Bank staff is ready to assist you with the application process.
